Estimate of Appropriations.

SCHOOL DEPARTMENT.

To the Taxpayers of Warwick:

The financial statement of the School Department as printed in its annual report, together with an estimate of its financial needs for the current year, is herewith presented:

	1906-7. Disbursements.	1907-8. Estimates.
Teachers' salaries	$46,575 62	$50,373 00
Janitors	4,965 00	5,500 00
Supplies	4,519 27	5,000 00
Contingent account	4,308 35	4,500 00
Fuel	3,761 40	4,000 00
Repairs	2,643 18	5,000 00
Miscellaneous account	1,322 45	1,000 00
Transportation	1,182 50	1,700 00
Furnishings	473 04	500 00
Telephones	181 21	185 00
Printing	310 70	400 00
Lighting	27 12	30 00
	$70,269 84	$78,188 00

Of the $7,918 16 increase over the amount expended last year, almost one-half, or $3,797 38, is called for by the growing salary list for teachers. Of this $3,797 38 nearly one-half will go to new teachers, appointed to take charge of new rooms that have had to be opened to relieve overcrowded conditions at Crompton, Old Warwick, Conimicut and Pawtuxet. The rest represents increase of salaries found necessary in Warwick, as practically everywhere else, in order to hire or to retain good teachers.

The only other items in the estimate showing any considerable increase over the figures for last year are the janitors' account, the repairs account, and the transportation. New rooms to be cared for entail increased expense, several buildings are in need of more than ordinary repairs, and the larger numbers at the High School have swelled the transportation account. The contingent account, the principal items of which are the salaries of Superintendent, Clerk, Truant Officers, and the rent of buildings used for school purposes; and the miscellaneous account, which comprises the cost of water service, freight and express, postage and stationery, cleaning of schoolhouses, etc., vary but little from last year.

By means of a thorough and careful examination of the town's accounts for a long term of years, made by an expert accountant, the fact has been established that the school department at the close of the fiscal year, September 30, 1907, had to its credit by the Treasurer's books a balance of $17,807 38. Against this balance, which has not yet been made available for the use of the department, there are outstanding pay rolls amounting to nearly $10,000, coal bills to the amount of about $2,500, text books and supplies accounts amounting to some $4,100, and other accounts aggregating about $1,000 more. If the amount standing to its credit had been at the disposal of the department, all these outstanding obligations could have been met as they became due, and the department might have entered upon the period covered by the new appropriation with a clean balance sheet.

In the annual report of the department, attention is called to the general situation as regards the need of new or enlarged buildings in various sections of the town. Realizing that the need of a new building is greatest at Natick, the Committee would specially recommend the securing of a suitable site there and the erection thereon of a building to contain at least ten class rooms, and an assembly hall. The expense of such a building, if built of

brick, should be in the neighborhood of $35,000; if it should be built of wood, the cost would be somewhat less, although there is little doubt that in the long run the use of brick would prove more economical.

The Committee would also recommend the erection of a two-room building near Oakland Beach at Old Warwick; a two-room building at Lincoln Park; a four-room building at Lakewood; and a two-room addition to the building at Phenix. The Committee would further recommend the sale of the old school house at Crompton.

SUMMARY OF RECOMMENDATIONS.

1. The appropriation of $78,000 for the support of the public schools.
2. The appropriation of $35,000 for securing a site and the erection thereon in Natick of a ten-room school building.
3. An appropriation to provide additional school accommodations at Old Warwick, Lincoln Park, Lakewood and Phenix.

Respectfully submitted,

WARWICK SCHOOL COMMITTEE,

By FRANK W. LOCKWOOD, *Chairman*.

Total orders drawn from October, 1906, to October, 1907	71,573 41
Balance of school funds which should be in Treasurer Sheldon's hands	$8,301 59

TOTAL BALANCES.

Balance to be accounted for by J. B. Allen	$9,505 79
Balance to be accounted for by George E. Sheldon	8,301 59
Total	$17,807 38

Respectfully,

HARVEY CHASE & CO.

From the above it may be seen that the expenditures of the School Committee during the year have been kept within the appropriation by the town (plus the current receipts for school purposes), and if this balance is not on hand it must be because the school funds have been expended for other town purposes.

We respectfully submit this report for your consideration.
